

CREATIVE JOURNALING - creativeinfinities.com

The images and questions are meant to inspire a creative journaling session. Let your mind be free as you answer each of these. Creative journaling is the perfect preparation for deeper work, and it is suggested that you complete this before the first teleseminar.

TWO WISE ONES are in communication. One listens; one reflects. If you were this one, what would you say that changes the story for the good of all so we may live in, and as, Respect?

IN THIS collective co-creative dance, how do you access your creative spirit? What do you do to stay in resonance with your unfolding self?

THIS TREE OF LIFE is connected to all forests on earth. What is the Tree saying to teach us how to respect life and cultivate reverence?

WHAT DO THE BELOVEDS SAY to one another to stay in a dance of innocent play, which sustains the loving with fierce reverence? This is Radiance.
